Competitor Bulletin #6 - Lanark Highlands Forest Rally, 9 May 2009

End Time of Rally

This bulletin, as are all bulletins, is provided to help your planning for the rally. The official change will be posted at the rally.

The final route book is prepared, and the schedule has changed with regards to the Car '0' time for check in at the end of the rally. The Supplemental Regulations list the Car '0' Finish Time as 17:15. The updated time for this event is now **18:10**. We may run a little late, as well, depending on the workload placed on Sweep.

We hope this will help you in planning your expectations of the rally schedule prior to your arrival, and in planning your evening on the 9th.

Craig Hamm
LHFR Clerk of the Course
